

21/22 Global Campus UG Enrollment Review Form

In accordance with regulations set forth by the Department of Education, Southern New Hampshire University is required to prorate Direct Student Loans if your remaining period of study is less than a full academic year (an academic year consists of three trimesters, with two, eight week terms in each trimester). Note that proration may affect your annual loan eligibility.

Please review remaining program credits with your Academic Advisor, and complete this form so Southern New Hampshire University can adjust your financial aid accordingly. **Your financial aid is currently on hold until this completed form is returned.**
